

Follow Spot Light

TL-SL396

Feature:

- * Color gobo: 5 colors + white light.
- * Effect: atomization, heating and cooling functions.
- * Aperture: 5%-100% telescopic function.
- * Focusing: manual focusing.
- * Strobe: single strobe film.
- * Dimming: full manual dimming, 0-100% linear dimming, and 5-100% linear aperture adjustment.
- * Optics: integrated encapsulation of reflective bowl, two sets of imported optical lenses.
- * Function: variable speed fan automatically reduces the lighting power by 60W.
- * Projection distance: 50-80m.

Specifications:

Model	TL-SL396
Input voltage	AC 110-240V 50/60Hz, 350W
Light source	OSRAM 330W
Average lifespan	1000H
Channel	0
Fixture material	Aluminum alloy, stainless steel bracket
Control mode	Manual control
Protection level	IP20
Package size (L×W×H)	740×275×330mm
Gross weight	11.1kg
Net weight	9.5kg
