

Specification

Model	TL-PT310
Input Voltage	AC380V, level -3P+N+E
Power Output	AC220V
Housing Material	304 stainless steel
Output Channel	6 channels
Protection Level	IP54
Main Function	Time control, can automatically turn on the power according to the set time
Color	Primary color of stainless steel
Installation Method	Floor installation
Size (L×W×H)	Custom
