LED Point Light
TL-LH4103

Description

It is a new bright decorative LED light. Built-in LED cold light source, it can emit different colors as needed. It can be programmed to control multiple synchronous changes at random, enabling the full-color change effects such as synchronous colorful, jumping, scanning, and running water. It can also form a lattice screen with multi-point light sources and change various pictures, characters, animation effects, etc.

Features

*Original appearance design, simple overall appearance, angular, exquisite and beautiful, structural waterproof design, waterproof grade IP65.
*High grayscale, high refresh, flicker-free and color design.
*Uniform and soft luminescence, no dark areas.

Specifications

Model	TL-LH4103
Input voltage/power	DC24V/50Hz/3W
Number of LEDs/light sources	EPISTAR 3535/12PCS
Beam angle	120°
Color temperature	RGB
Control mode	DMX512
Installation method	Fixed
IP rating	IP65
Size (L×W×H)	122×94×54mm
Packing size (L×W×H)	535×405×255
Gross weight	16KG (48PCS/box)
Net weight	0.3KG
Certification	CE/ROHS
