

9W LED Wall Washer

TL-LH1805

Description

The wall washer is suitable for panoramic floodlighting of internal and external walls such as government lighting projects, commercial places, stages, conference rooms, display lights, ancient buildings, cultural squares, overpasses, building exterior walls, architectural landmarks, etc. It is also applicable to landscape buildings, outdoor squares and so on.

Features

- *Original structural design, internal cavity heat dissipation, simple overall appearance, angular, exquisite and beautiful, structural waterproof design;
- *Aluminum alloy fixture, double slider fastening bracket, surface outdoor grade electrostatic spraying, strong corrosion resistance, harsh outdoor environment adaptability;
- *Equipped with imported light source, it has excellent light and color performance, which can effectively improve the light output efficiency of the fixture. Anti-glare shading plate can be used;
- *Monochrome/RGB three-in-one/RGBW four-in-one, DMX512 control system, automatic addressing. Simple wiring make light installation and maintenance more convenient and faster.

Specifications

Input voltage/power	DC24V/9W
Number of LEDs/light sources	Philips/12PCS
Beam angle	10×60°
Housing color	Sand gray
Color temperature	3000K
Installation method	Fixed
IP rating	IP65
Product size	500×24×38mm
Packaging size	1030×340×350mm
Net weight/Gross weight	0.55KG/35.5KG (60PCS/box)
Certification	CE/ROHS
